Re: Reconsideration for Certificate of Correction

Consideration has been given your request for a certificate of correction, for the above-identified patent under the provisions of Rule 1.322.

Respecting the alleged error(s) in your request, inspection of the file of the application for the patent reveals that column 15, lines 59 & 61, in the patent, is/are printed in accordance with the record in the Patent and Trademark Office, as passed to issued by the examiner. There being no fault on the part of the Patent and Trademark Office, it has no authority to issue a certificate of correction under the provision of 1.322. Therefore, no correction is in order here.

In view of the foregoing, your request is herby denied.

However, further consideration will be given these matters, upon receipt of a request for **Reconsideration** certificate of correction (reconsideration should be accompanied by supporting document(s) such as, amendment, postcard receipt, 1449/892 w/references considered by examiner, etc.) and should be filed and directed to Decisions & Certificates of Correction Branch.
